

Course Culminating Task (CCT)

Tourist Video

Important Dates

- **Progress check:** mardi, le 14 décembre 2017
- **Due date:** jeudi, le 21 décembre 2017

Task

For your Course Culminating Task (CCT), you will choose a French speaking country to research. You will then create a travel video which should encourage others to visit your destination. Your project should include some of the top touristic sites, vital information about the climate, the culture, the food, sports, music, art and/or anything that you think would attract tourists. Furthermore, you should provide images of the destination.

Assignment Specifics

- You must create a video, it can be simply of images and some writing, however, you must be speaking either in the video or as a voice over.
- You must submit the transcript of your video to Turnitin.
- You must have at least 20 sentences in the transcript of your video.
- You must choose from one of the countries or cities below, each student will do a different city/country.
- You must provide plenty of images of your destination.
- You must include the following verb tenses in the following colours in your write-up:
 - **3 imperative sentences (green)**
 - **3 passé composé with avoir (blue)**
 - **3 futur proche (red)**
- You must have at least:
 - **2 irregular adjectives (purple)**
 - **2 emotions (orange)**
 - **2 yes or no questions (pink)** and **2 information questions (yellow)**
 - **2 prepositions à + ____ (brown)**
